

REMARKS

Applicant appreciates Examiner's thorough review of the Application, the indication of allowable subject matter, and the interviews courteously granted to Applicant's Counsel Clifford D. Hyra and James C. Wray on August 13, 2008 and August 18, 2008. Allowance of all claims as amended is respectfully requested.

By this amendment, Claims 1, 11, 21, 28, 29, 30, 33 and 43 are amended to rewrite them in independent form and place them in condition for allowance and the remaining claims have been amended to correct their dependency accordingly. No new matter has been added by the amendments.

Although Applicant disagrees with the rejections of record, in order to expedite prosecution and disposal of this application Claims 1 and 21 have been amended to place them in condition for allowance as agreed with the Examiner in the telephone interview of August 18, 2008. Regarding Claim 1, Applicant would note that dinosaurs are a subset of animals. Claims 11, 28, 29, 33, and 43 were previously indicated to be allowable and have been rewritten in independent form. New claims 46 - 69 share the subject matter of Claims 3 - 10, 23, 25 - 27, 31 - 32, 34 - 42, and 45, but depend from Claim 21 instead of Claim 1.

All claims are now in condition for allowance.

Claims 1 and 3 - 69 are now pending in the application, including independent Claims 1, 11, 17, 21, 24, 28, 29, 30, 33, and 43.

Respectfully,
